

BAZAAR TIME . . . There will be Christmas gifts galore, enough to fill the list, at the Bazaar to be held at the First Methodist Church on Friday, Dec. 4. Handmade items and Christmas decorations will be featured as well as homemade candy and cakes. Shown displaying some of the bazaar items are, from left, Mrs. Ray Goree, secretary of the WSCS, Mrs. C. P. Olson, vice president, and Mrs. Harlan P. McCool, president.

Aquarium Society to Meet Friday

The November meeting of the Harbor Aquarium Society will be held on the evening of Friday, Nov. 27, at 7:30 p.m. in the Recreation Hall at Mc-Masters Park, 174th and Yukon in Torrance. The meeting will be called to order by President Vic Boswell of Redondo Beach.

The program chairman Rex Nowling has promised another excellent film as the highlight of the evening. The series of pictures that have been shown at the past few meetings have been unusual and of great interest to aquarists.

The Showfish of the Month will be the little fish with the big name, the Lebitest Reticulatus or as commonly called, the Guppy. As Guppies now come in many sizes and colors, it should be a most interesting show. The door prize will be a five gallon aquarium. Refreshments will be served after the meeting. As there will be no meeting held in December, all members and Guppy fanciers are urged to attend.

You see, every McKesson Vitamin C Tablet of 250 milligram strength has as much of this health-building vitamin as five average oranges. So, especially if you're a

smoker, your system may need McKesson's Vitamin C Tablets every day.

Now's the time to stock up, because right now your druggist is offering two large 100-tablet bottles of McKesson's Vitamin C Tablets for the price of one.
